

# IVCC STAKEHOLDER FORUM 2023

St. Georges Hall (North Entrance), Liverpool, UK  
3<sup>rd</sup> and 4<sup>th</sup> October 2023

Our ability to combat the global challenges of malaria and other neglected tropical diseases requires the establishment of highly effective and multidimensional partnerships – where science, funding and innovation combine to deliver real impact. IVCC's 2023 Stakeholder Forum "Working in partnership to deliver vector control solutions" showcases how stakeholders are coming together in unique partnerships to develop and deliver impactful and lifesaving vector control solutions.
