Liverpool is extremely well connected by air, rail and road, and due to its compact size is very easy to navigate. If you're arriving by air, John Lennon International Airport is a seven-minute taxi ride from the city centre. A regular bus service travelling directly to the city centre runs from the airport.

If you're arriving by rail, Lime Street Station is close to all the hotels, restaurants, and attractions. Taxis are a great way to get around, and with many taxi stands dotted around the city you're close to everything.

If you have time, why not sample some of Liverpool's world-class attractions, such as the Tate Liverpool and Walker Art Galleries, or the World Museum? You can even take a Magical Mystery Tour to the legendary Cavern Club!
